"An affiliated organisation shall attend no less than one half of the General Meetings in any one year (for this purpose the year shall commence with, and include, the August meeting) and if any affiliated organisation fails to attend at least one half of the General Meetings during that period, or shall fail to attend any three consecutive General Meetings, the Administrative Committee shall require that affiliated organisation to explain its attendance record and/or absence from meetings and the Administrative Committee may submit the continued membership of that affiliated organisation in the Association for discussion at a succeeding General Meeting."

ADDITIONAL 5.2 Paul Morrison, Aberdeen, wants to pass on his thanks to Tony Vass for attending the final of the Dave Baister APFSCIL League Cup and presenting the trophy and medals. It was much appreciated at short notice and I'd like that to be formally noted if possible?

A problem was encountered where the system did not regenerate SMS texts for re-arranged fixtures. This turned out to be a bug in the LeagueRepublic system which will be fixed in the next release. In the meantime LeagueRepublic have provided a workaround, so should be OK from now.

None reported this month.

Cancelled Games

There have been two games cancelled on the night this season, Scunthorpe United v. Sunderland (by Sunderland) in Division 2, and Bolton Wanderers v. Plymouth Argyle (by Bolton) in Division 3. Should they become critical to promotion/relegation, they will be re-arranged. Otherwise Scunthorpe and Plymouth will be awarded 7-0 wins plus 2 point win bonuses and Sunderland and Bolton will receive five point penalties.

8.3 Football Report –

APFSCIL FOOTBALL LEAGUE REPORT – Mon 7th June

After another competitive season in both divisions, Aberdeen took the Division One title with only one defeat in their 18 games and Sunderland won the Division Two title having lost none of their 20 matches. Congratulations to both sides for top quality, consistent performances across the year.

In Division One Norwich finished the season as runner's up, as did London Scottish in Division Two. Well done to them too.

Clubs from both Divisions made it to the semi-finals of the DB Cup this year, but the final was contested by arguably the two best sides in the League in Aberdeen & Norwich City at Holmesdale FC near Bromley. Aberdeen eventually ran out winners 3-0 to complete a League & Cup double, but the game was closer than the result suggests.

With the demise of the Republic Of Ireland Soccer Supporters Club in Division One, and the possibility of one or two other clubs folding, final promotion and relegation issues have yet to be resolved, and will be finally decided at the League's AGM later this month.

THE ASSOCIATION OF PROVINCIAL FOOTBALL SUPPORTERS' CLUBS IN LONDON

We are very keen to maintain the integrity of what is undoubtedly a vibrant and enjoyable football League to play in, despite it looking ever more likely that we will be losing at least more one side from the League this summer. If any APFSCIL member clubs would like to know more or are interested in joining us, please let Phil Middleton know.

11.1 Entries are requested from the membership for these two awards.

For Supporter of the Year entries please submit a recommendation with supporting evidence.

For Newsletter of the year please submit either electronic copy of the newsletter or, where it is issued in hard copy two copies of a recent edition.

For the second year running last year's awards were not made due to a lack of entries as it was felt that making an award simply on the basis of a nomination being made was not a good reason.
