8 Webmaster's Report

8.1 I had every intention of making this meeting but work need me to switch shifts. So unfortunately I am absent again.

8.2 Since the last meeting I have had no contact from Phil Cordingley about website updating however have managed by trial and error to make changes to the darts section. I will continue with this approach to make changes and see where this takes us.

8.3 Thank you to Middlesbrough and Leicester who have sent their changes through for the website and continue to urge the rest of the clubs to do the same as so far all have required changes in some form or another.

8.4 I am sure most have an opinion on the website and the interactivity, we at London Blackpool do have a Facebook page and Twitter account and they can prove useful but only if information is fed to them.

If anybody can provide a way to update the website then i am more than happy to let them have all necessary details to do this.

10.3 Darts' Secretaries' Report

10.3.1 The darts leagues are now well under way with matches played in all divisions and the preliminary round of the cup partly completed.

At the time of writing Ipswich Town top Division One with four wins out of four with Rotherham United in second place. In Division Two Gillingham are top, again with a 100% record with Sheffield Wednesday in second and Exeter City a point behind. The early pacesetters in Division Three are Plymouth Argyle with Burnley in second place.

10.3.2 In the preliminary round of the cup Leicester City and Rotherham United had wins over Chester City and Coventry City respectively while Newcastle United v Bolton Wanderers is, as far as I know, still outstanding. This gives us a revised first round draw of:

Ipswich Town v Rotherham United
Burnley v Scunthorpe United
Sheffield Wednesday v Gillingham
Derby County v Southampton
Exeter City v Newcastle United or Bolton Wanderers
Plymouth Argyle v Nottingham Forest
Blackpool v Sunderland
Leicester City v Manchester City

Matches to be played week commencing 16th January or before if it suits both teams.

10.3.3 Could I place on record my thanks to the darts captains for their patience while we find our feet and again to Tina Robertson for all her sterling work while I find MY feet! They're out there somewhere.

10.4 Social Secretary – Position Vacant

11 Any Other Business

11.1 Date of Next Meeting – The next monthly meeting will be on Monday 9th January.

11.2 No other AOB have been notified to the Secretary in advance of the meeting

11.3 Kevin Wells, Chairman, mentioned that Andrew Clark (Middlesbrough) had been in communication with Neil Le Milliere, Secretary, regarding the future direction of the association. Kevin gave a very brief outline of some of Andrew's points, and invited comment at the meeting, but said that in the absence of Andrew (due to the happy event of having a new-born child) that the main discussion would be held over to the January meeting.

A brief outline of some of the points made were:

Lee Jameson (Plymouth) thought that a Twitter feed could be useful to the association, Jane Pike (Burnley) was more dubious. Lee agreed that a Twitter feed should be linked with a revamp of the website. Kevin Wells, Chairman, said that if a volunteer could be found to take on the vacant Press & Publicity committee post presumably the Twitter feed/Facebook offering could come under that post.

Lee Jameson (Plymouth) thought that the reduction in the membership of member clubs was in some way down to the growth of information technology – in the past member clubs were

sometimes the only source of information for expats in London. This was a powerful recruiting tool in many cases.

Jane Pike (Burnley) wondered if the number of meetings was strictly necessary now so much information could be disseminated by email. Kevin Wells, Chairman, said his personal feeling was that bi-monthly meetings might be what was needed now. Guest speakers at meetings had been mooted many times, but the problem was finding people who would attend without a fee! We would also not wish to embarrass a guest if the turnout was low. If members had suggestions for speakers the committee would be more than happy to consider it. He felt that member club's meetings were possibly the best forum for guest speakers. Nick Brennan (Everton) said that their recent social meeting with Mick Rathbone has been a great success. WBA had also had a very good event with Brendan Batson.

Tina Robertson (Manchester City) felt that APFSCIL still had an important role to play, and we should not forget that.

David Clarke (Rangers) pointed out that several member clubs (e.g. Sheffield Wednesday) have Twitter feeds.

11.4 Paul Welch (Brighton) mentioned the sad passing of Alan Keen, MP for Feltham. He had given great assistance to Brighton in their attempts to get a new home and had sponsored an early day motion in Parliament.

11.5 Lee Jamieson (Plymouth) gave the meeting a briefing on the recent goings-on at the club.

11.6 Steve Murray (Mansfield) told the meeting that there was no more football at Field Mill, but there was good news in that the club was in safe hands.

Meeting Closed: 20.30 when the Christmas buffet commenced!
